4976
April 1997

Dear Sir/Madam,

Enclosed, please find your copy of our two latest electronic publications;

9700113
176901
1) One is "Collected Data of High Temporal-Spatial Resolution Marine Biogeochemical Monitoring from Ferries in the East Asian Marginal Seas (April 1994 - December 1995)". This CD-ROM contains data obtained by the Center for Global Environmental Research (CGER) Environmental Monitoring Project. The preceding data from June 1991 to February 1993 observed on a track of Japan-Korea Ferry Line was published in 1995 as another CD-ROM [CGER-D007(CD)-'95].

9700114
176902
2) The other is "Time Series of Phytoplankton Biomass Distribution over the Northwestern Pacific Area by Monthly Composite Images from Nimbus7-CZCS Data". This CD-ROM contains monthly composite satellite images obtained by the Research Programme. 16

We hope these CD-ROMs will be of great help for researchers in this field as well as general users who are interested in Oceanography. Please feel free to contact the editors of this CD-ROM if you have technical questions about the monitoring project or the data.

Sincerely yours,

Yoshifumi Yasuoka, Director
Center for Global Environmental Research
National Institute for Environmental Studies
