The National Hurricane Center normally issues public advisories on their website and to the media for Atlantic tropical cyclones every six hours at 4:00 AM CDT, 10:00 AM CDT, 4:00 PM CDT, and 10:00 PM CDT. Intermediate public advisories are issued every 3 hours when coastal watches or warnings are in effect. Additionally, special public advisories may be issued at any time due to significant changes in warnings or in the cyclone.

Mississippi 511 Traveler Information

Mississippi 511 is a free, statewide service that's available 24 hours a day, seven days a week. It uses an interactive voice response system with speech recognition as the primary interface with callers, allowing for hands free operation.

Travelers can

- Dial 511
- Visit www.mdottraffic.com/ms511

for around-the-clock, real-time traffic updates as well as information about construction activities and weather-related road conditions simply by saying the route or region about which they are seeking information.

Traveler information is available in the Mississippi 511 system for Interstates 10, 110, 20, 220, 55, 59, 69; for US Highways 45, 45 Alt, 49, 49E, 49W, 61, 78, 80, 82, 84, 90, 98; and for State Highways 6, 25, 302.

Mississippi's 511 system offers a wealth of traveler's information:

- Typical Traffic reports are accidents, vehicle fires, disabled vehicles, construction alerts, and weather warnings and advisories.
- Weather provides a 36 hour forecast for a city or county.
- Welcome centers and rest areas supply traveler's basic information like location and the ability to be transferred to the welcome center.
- Travel times offer the traveler a chance to get an idea of how long their trip may take. You can say the name of a covered route, and give your exit number and you will hear how long it takes to get to the next 3 exits.
- Tourism offers a transfer to numerous tourist locations throughout Mississippi.
- Public Transit offers basic information on our 3 largest public transit choices.
