NOAA WEATHER RADIO

Not manufactured by NOAA, NWR receivers can be purchased at many retail outlets and on the Internet

NOAA Weather Radio (NWR) All Hazards is a nationwide network of radio stations broadcasting continuous weather information directly from a nearby National Weather Service office. NWR broadcasts National Weather Service warnings, watches, forecasts, and other hazard information 24 hours a day.

North Carolina 511 Information Line

Motorists traveling through North Carolina can call 511 during the day for the latest road conditions and other important information, including:

- Crashes, weather-related closures and road construction
- Transfers to neighboring states' 511 systems

When calling 511 – or (877) 511-4662 from outside North Carolina – callers will hear urgent messages regarding closures for major interstates.

On weekdays from 8:15 a.m. to 7:45 p.m., weekends from 8:15 a.m. to 4:45 p.m. and state holidays from 9:15 a.m. until 4:45 p.m., callers speak directly with an operator who can answer traffic and travel-related questions.

Overnight and during emergencies, travelers should go to DriveNC.gov for the latest travel information.

For more information, visit the NCDOT 511 website at
www.ncdot.gov/travel-maps/traffic-travel/511-information/
