The National Hurricane Center normally issues public advisories on their website and to the media for Atlantic tropical cyclones every six hours at 4:00 AM CDT, 10:00 AM CDT, 4:00 PM CDT, and 10:00 PM CDT. Intermediate public advisories are issued every 3 hours when coastal watches or warnings are in effect. Additionally, special public advisories may be issued at any time due to significant changes in warnings or in the cyclone.

## Louisiana 511 Traveler Information

Louisiana 511 Traveler Information is a free service of the Louisiana Department of Transportation and Development. Travelers can dial 511 or visit [www.511la.org](http://www.511la.org) for around-the-clock, real-time traffic updates as well as information about construction activities and weather-related road conditions simply by saying the route or region about which they are seeking information. In case of evacuation, information will be available through 511 on such important topics as contraflow status.

Residents without access to 511, or anyone calling from outside of the state of Louisiana, can access the 511 Traveler Information Service by calling 1-888-ROAD-511 (1-888-762-3511).

For more information, visit the Louisiana 511 Traveler Information website at [www.511la.org](http://www.511la.org).
